Jesus' single focus:

13th Sunday in Ordinary Time

Jesus had a single focus: fulfilling what he was called to be and do. And so he headed for Jerusalem and what he knew was inevitable there. He warned the disciples – and us – not to be distracted in our calling by life's ordinary demands or the possibility of discomfort, pain or death. It's hard to be single-minded with so many competing priorities in life. How do we balance our baptismal calling with the other demands we encounter? Where is our focus?

We continue to carry Jesus' redeeming words

14th Sunday in Ordinary Time

Jesus sent out the disciples to spread his word with clear instructions and with no expectations that they would be successful. Most of us practice discipleship by living the Gospel -- working to bring about justice, peace and equality. We may experience inconvenience, maybe embarrassment or even rejection. But we continue to carry Jesus' redeeming word to others because the harvest is still abundant and the laborers are still few.

St. Philip Benizi Rosary and Faith Formation information

July 3, Sunday

Rosary starts at 10:15 a.m. before the 11 a.m. Mass. If you don't have a Rosary, no problem, we will give you one.

July 4, Monday

No Faith Formation— celebrate Independence day with your friends and family. Reflect on how lucky we are to be independent from tyranny.

Pray at least one decade of the Rosary (as a group, if possible) Thanking God for the freedom we have to love God and ask the Holy Spirit to enter the hearts of those guilty of social sin and once again let God be the center point of our nation and world.

Social sin; the effect of sin over time, which can affect society and its institutions to create “structures of sin,” by analogy called “social sin.”

Parousia; The glorious return and appearance of our Lord and Savior Jesus Christ as judge of the living and the dead, at the end of time.

Question: the second coming of Christ will be at the end of time. Heavenly time or Earthly time? Why? Answer to last week's question: Titles of documents and prayers in Latin use the first two or three words of the first sentence as the title. Therefore the Protestant “Lord's Prayer,” becomes the “Our Father” in the Universal Christian Church.

Vocabulary Word: Eschatology

July 10, Sunday

Rosary starts at 10:15 a.m. before the 11 a.m. Mass. If you don't have a Rosary, no problem, we will give you one.

July 11, Monday

Faith Formation 2pm. until 3pm.

Continue the discussion of the 6th Commandment - Chastity

Vocabulary word: typology.

Eschatology: From the Greek word eschaton meaning “last.” Refers to the area of Christian faith which is concerned about “the last things,” and the coming of Jesus on “the last day” our human destiny, death, judgment, resurrection of the body, heaven, purgatory, and hell. All are contained in the final articles of the Creed.

Answer to last week's question: Earthly time, since God has always been, is now and will always be. In Heaven, God has no yesterday, no tomorrow, only the present. Time as we know it on Earth will cease to exist.

The Creed lists the Pillars of the Church. Can you name them?

Catholics Care:

Catholics Vote - Learn about the issues

In their statement on *Forming Consciences for Faithful Citizenship*, the U.S. Catholic bishops lift up various issues of different moral weight and urgency. Some issues they mention include: addressing abortion, euthanasia, the use of the death penalty and imprudent resort to war; protecting the fundamental understanding of marriage as the life-long and faithful union of one man and one woman; achieving comprehensive immigration reform; caring for our common home; helping families and children overcome poverty; providing healthcare while respecting human life, human dignity and religious freedom; and establishing and complying with moral limits on the use of military force. Learn more about these issues and others at www.faithfulcitizenship.org.

Valley View Estates needs iPods to help with a new program called Music and Memory

Valley View Estates is starting a new program called Music and Memory. Trained staff will create and personalize playlists using iPods that enable those struggling with Alzheimer's, Dementia and other cognitive and physical challenges to reconnect with the world through music-triggered memories. To get the program started, they are in need of several iPods. If you have a used iPod to donate, it would be greatly appreciated. For more information, contact Lois Smith, Valley View Life Enrichment Director at 363-1144.

Calcium information continued ...

Are there any interactions with calcium that I should know about? Calcium dietary supplements can interact or interfere with certain medicines that you take, and some medicines can lower or raise calcium levels in the body. Tell your doctor, pharmacist, and other health care providers about any dietary supplements and medicines you take. They can tell you if those dietary supplements might interact or interfere with your prescription or over-the-counter medicines or if the medicines might interfere with how your body absorbs, uses, or breaks down nutrients.

Calcium and healthful eating

People should get most of their nutrients from food, advises the federal government's *Dietary Guidelines for Americans*.

Foods contain vitamins, minerals, dietary fiber and other substances that benefit health. In some cases, fortified foods and dietary supplements may provide nutrients that otherwise may be consumed in less-than-recommended amounts. For more information about building a healthy diet, refer to the *Dietary Guidelines for Americans* and the U.S. Department of Agriculture's MyPlate.
