Alcohol use policy

The following regulations (required by our insurance carrier) must be observed:

1. For the use of alcoholic beverages, Special Use Coverage must be purchased at least 18 days before the event date (Catholic Mutual Insurance Form)
2. Alcoholic drinks (hard liquor and beer) **must be dispensed** by a licensed bartender.
3. Alcoholic beverages may not be served to or by anyone under the age of 21. **A sign must be posted indication that on one under 21 may consume alcohol.**
4. **Alcoholic drinks must be carefully measured and doubles must never be served.** The commonly accepted standard is : no more that 1 to 1-1/2 ounces of whiskey in a highball, cocktail or mixed drink; 12 ounces of beer as a maximum; and no more than 4-5 ounces of wine per serving.
5. It is to be absolutely clear which beverages contain alcohol and which do not (this is especially crucial when spiked punch is served); appropriate signage is required.
6. **Food must be served throughout the time that alcohol is served.**
7. The Facility User is responsible to monitor the group's behavior and to take whatever action is deemed appropriate.
8. Every precaution must be taken to make sure that no alcoholic beverages are brought into the event by individuals and that all alcoholic beverages being consumed are the ones being dispensed under the guidance and control of the bartender responsible for the event.
9. An agreed upon written plan must be in place prior to the event which will handle individuals who have had too much to drink. This plan should include:
 - Arrangements for transportation home, for individuals not able to drive safely.
 - An established procedure to limit or stop an individual's consumption of alcohol when he/she has had too much to drink in the opinion of the bartender responsible for the event. This detection method can be handled through simple observation of an individual's speech and behavior. No further alcohol may be served to an individual who has already had too much to drink.
 - **For at least one hour before the event concludes, the bar must be closed and no alcohol make available to individuals present at the event. During this period, coffee and food must be made available.** Those present should be encouraged to take advantage of these offerings. This precaution will help with liability for people who have been drinking.
 - The following notice must be posted wherever alcohol is served:

REMEMBER: FOR EVERY ONE DRINK YOU CONSUME, REGARDLESS OF THE KIND OF ALCOHOL (12OZ OF BEER, 4-5 OZ. OF WINE, OR 1 ½ OZ. OF WHISKEY) IT WILL TAKE AT LEAST ONE HOUR FOR THAT DRINK TO BE ELIMINATED FROM YOUR SYSTEM.
